WELCOME

Utah Correctional Industries

OUR MISSION

The Mission of Utah Correctional Industries (UCI) is to increase public safety by preparing offenders to return to society as employable, law-abiding citizens. We do this by providing job skills, training, and work opportunities to offenders while incarcerated. UCI programs provide experiences for offenders to learn to be accountable for their actions in a work environment that parallels the real world.

Throughout its history, UCI has been an essential element of the Department of Corrections' mission of assuring public safety by having offenders leave the correctional system able to lead lives as law-abiding citizens. By serving as a correctional management tool, UCI productively occupies offenders, thereby relieving idleness in our institutions and ensuring the orderly operation of our prisons. The opportunity to work for UCI and the desire to retain the pay and stability that UCI affords are effective motivators for improving offender behavior.

Over 90% of the offenders we deal with daily will return to society. Our mission is to make sure that as many as possible never return to prison. You can support us in these efforts by purchasing UCI goods and services.

THE STATE USE LAW

63-56-423 Purchase of prison industry goods.

- (1) All public procurement units shall purchase goods and services produced by the Utah Correctional Industries Division as provided by this section, which is an exemption from this chapter. All political subdivisions of the state may purchase these goods and services and are encouraged to do so when feasible.
- (2) By July 1 of each year, the director of the Utah Correctional Industries shall publish and distribute to all state agencies and interested political subdivisions a catalog of goods and services provided by the Correctional Industries Division. The catalog shall include a description and price of each item offered for sale. The catalog shall be updated and revised during the year as the director deems necessary.
- (3) State departments, agencies, and institutions may not purchase any goods or services provided by the Correctional Industries Division from any other source unless it has been determined in writing by the director of Correctional Industries and the state procurement officer or in the case of institutions of higher education, the institutional procurement officer, that purchase from the Correctional Industries Division is not feasible due to one of the following circumstances:
 - (a) the good or service offered by the division does not meet the reasonable requirements of the purchasing agency;
 - (b) the good or service can not be supplied within a reasonable time by the division; or
 - (c) the price of the good or service, including basic price, transportation prices, and other expense of acquisition, is not competitive with the price of procuring the item from another source. In case of disagreement, the decision may be appealed to a board consisting of the director of the Department of Corrections, the director of Administrative Services, and a neutral third party agreed upon by the other two members or, in case of institutions of higher education, the president of the involved institution shall make the final decision.

with a wide variety of office furniture lay moving services, and panel reconfigura

UCI furniture and office innovations

quality

each piece of furniture and every panel is manufactured to meet your specifications.

service

from beginning to end, we trust our personalized and timely customer service will exceed your expectations. we are working to make a difference!

the right price

because we utilize offender labor, our prices to manufacture quality products are below that of our competition on similar. lower prices are then passed on to you, the consumer. UCI strives to maintain high quality low cost products saving government agencies money.

about UCI

utah correctional industries (UCI)...

provides high quality products designed and manufactured with you in mind. Few people are aware of the numerous products and services that are offered at a cost savings to state agencies, local governments, and higher education. These products and services are the result of offender labor and training in real job circumstances.

what is UCI?

UCI is Utah's prison industries program. Under the direction of the UCI Director and the Utah Department of Corrections, UCI operates productive enterprises utilizing offender labor to benefit tax-supported entities, which includes all state agencies and political subdivisions.

UCI is a self-supporting program, deriving its revenues solely from the sales of products and services; not only do you receive quality products when you purchase from UCI, you are also supporting a great program.

why does UCI exist?

UCI not only provides goods and services for public use, it also saves taxpayers money. UCI provides training and structured activity for offenders in a real work environment to the State. Offenders working at UCI acquire vocational skills under working conditions similar to those which prevail in private industry, preparing them for legitimate employment after they are released from prison.

what can UCI do for you?

We can furnish your office, conference room, lounge, waiting room, library or other work area with quality industry standard products. Labor intensive services such as general construction, roofing, asbestos abatement, and pavement crack sealing are offered as well. At UCI you can purchase clothing, mattresses, interior and exterior signage and a wide variety of printing services. In an effort to increase our offender employment numbers, we are constantly looking for new products and services.

our product line is so diverse ...

and flexible that we frequently find ourselves making changes to meet the needs of our customers. We invite you to contact one of our Marketing Representatives for special needs and up-to-date information on any of our products or services.

would you like more information about UCI?

Please contact our main switchboard number to speak to a Marketing Representative. This number can also be used for requesting information on your current order and obtaining current pricing information.

qua

UCI offers several lines of complete office furniture that provides one of the best returns for you

UCI is your one-stop furniture shop

Whether you are designing two small workstations for your office area or plan to furnish five floors for your department...**UCI** offers a complete line of office furniture, from the waiting area to the conference room, from an executive office to the break room.

looking to design or reconfigure your office?

UCI has even more solutions available. Talk with us about your ideas, your needs, and your budget. We will assist you in designing your office with the help of our CAD designers. Big or small, we will work with you until everything is exactly how you want it!

Call us today to begin the design process. We'll have a layout, components list, and bid to help!

Quality Office suites at competitive prices. UCI saves your tax payers' dollars!

UCI cares

We all share responsibility for protecting the environment. At UCI, environmental conservation and awareness are an important part of our daily operations.

We have several alternatives that can turn any office green.

UCI value

UCI provides quality furniture with an expensive look at a lower price. With a striking oak veneer, solid oak trim, and hand rubbed multi-step finish, your office, conference room, or classroom are sure to reflect a wise choice in the years to come. Plus, each piece of furniture is backed by UCI's uncompromised warranty!

UCI customer service

In addition to designing your office layout and building the furniture you need, our customer service personnel will deliver and install your new office! We offer free delivery within Davis, Salt Lake, Utah, and Weber counties!

We're working to make a difference for you!

UCI technology and craftsmen

Leading-edge machinery and modern technology allow for perfect assemblies, consistent quality, and finishing perfection. Multi-axis robotic cutters, CNC panel processing machines, parametric design software, are used to illustrate quality.

Combine this with the skills of trained craftsman who show genuine commitment in the furniture they craft, and UCI is your "win-win" solution.

the **Bountiful Series** features contemporary design resulting in an affordable value that you

Office Innovations is...

① MOVING SERVICES

Provides government and non-profit agencies a price effective way to relocate their office furniture, equipment, and everything in between.

② PANEL RECONFIGURATION

Provides space planning and office layout utilizing CAD design systems. Using the customer's ideas and UCI's experience with panel systems, we turn work areas into functional spaces without sacrificing quality and design. We use existing panels, work

surfaces, supports, overheads, and file drawers to redesign office space. In many situations UCI is able to offer new panels that are compatible with existing panel systems to expand work areas and save state agencies money.

options - wood and wood stain

Different wood species offer different textures and grains. Minor variations in finish color and value may occur due to the natural characteristics of wood. UCI uses only the highest quality furniture grade stains and finishes in producing furniture. UCI carefully selects all materials used in every product ensuring a commercially acceptable color and finish; however, it is possible for light and time to alter the color of wood and stain. The stains represented on this sample sheet are similar to the actual product. If you want to see examples of finished furniture or if you have questions about matching finishes to your existing furniture call (801) 576-7700.

**TO CALCULATE PRICE OF ADDITIONAL WOOD TYPES:
MAPLE = PRICE OF OAK x 1.25 • WALNUT = PRICE OF OAK x 1.35**

options - featured laminates

options - work surface edges/t-mold

wood product specifications

Furniture Tops

Furniture Tops are of three-ply balanced construction 1" to 1½" thick. A solid hardwood edge banding with a traditional edge shape 1" to 1½" x ¼" to ½" completes the finish on the four sides.

Veneer Surfaces

Veneer surfaces utilize plain sliced premium furniture grade hardwood veneers. Veneers are quality selected for their grain, balance, and consistency. Please refer to page 74 for veneer options and stains.

Laminate Surfaces

Laminate surfaces hold up especially well in areas where food or drink will be consumed; it also works very well in medical areas. UCI uses name brand laminate products from various sources to ensure product availability. Please see page 75 for laminate options.

Case Goods

Sides, backs and modesty panels are made of ¾" or 1½" thick, three-ply matched hardwood veneer. Hardwood cleats, glue and screws are used adding extra strength. Solid hardwood moldings are used at the base to provide added protection and durability.

Drawers

Drawers, consisting of the front, back and two sides are made from 7/16" thick, seven-ply Birch hardwood. Locking box joints are used in all four corners. Drawer bottoms are ¼" tempered masonite to ensure a warp-free future. Drawer fronts are ¾" thick of three-ply MDF vertical grain veneer in matched sets. All exposed edges are edgebanded with solid hardwood.

Drawer Suspensions

Drawers are equipped with a ball bearing suspension FULLERER slide for smooth and quiet operation. The file drawer features a full extension slide for complete access and positive stop action. Each slide carries a lifetime manufacturer's warranty.

Filing Hardware

File drawers are equipped with zinc-plated, heavy duty steel file rods, designed to accommodate either letter or legal size hanging folders.

Locking Hardware

The inside pedestal locking position features the TIMBERLINE locking system. All products offering a locking feature have changeable lock plugs and like-keying possibilities.

Exterior Decorative Molding

Our furnishings feature high quality solid hardwood moldings. The addition of these moldings on the desk's sides, back, recessed modesty panel and faces of the drawer fronts add to the elegance of their design.

Finishes

Pre-catalyzed lacquer is used to ensure the toughest and most durable furniture finish. All work surfaces are multicoated and hand sanded between each coat to achieve a rich, quality finish.

the order process

1. Decide what items you need and the quantity desired.
2. Decide on a stain finish (see page 74) for your order. Wood stain samples are available from your Marketing Representative.
3. Call a Marketing Representative if you are ordering custom made furniture, panels, or for additional questions.
4. Call, fax, or email your order with a PO number, or to simplify, you can use your FINET code.
5. Your furniture items will be delivered to you within 6 to 8 weeks from the day the order is placed.
6. Before the delivery, you will receive a call from customer service to schedule the date and time of delivery.
7. To check on the status of your order, to confirm date of delivery, or to schedule a repair of a furniture product, please contact the scheduling desk at 801.576.7700.

terms & conditions

product design

Utah Correctional Industries reserves the right to make changes in design and construction or discontinue products without prior notice.

availability

Items are normally available within thirty (30) days on a made-to-order basis. If no specific date is requested, we will assign the best possible ship date available on a made-to-order basis. Contact your Marketing Representative for specific availability.

order changes

UCI does not usually accept changes requested after order confirmation. However, we will accept reasonable change orders with the following conditions:

- The request for change will be subject to UCI's ability to perform.
- Changes will be subject to additional charges for material, labor and administrative prices.
- Changes must be brought to UCI's attention through written notice. Changes may result in re-scheduling of delivery time.

cancellations

The acceptance of an order by UCI is final and binding and not subject to cancellation by the customer without written notice to UCI. A cancellation or restocking fee from 30% to 100% of the order may be imposed on cancelled orders.

delivery and freight charges

There may be an additional cost for delivery and installation services depending on your geographical location. Should either of these services be requested or required, all charges incurred will be charged to the "sold to" of the order. Any order requiring "non-dock" or "inside" delivery must specify such on the order.

damaged merchandise

UCI cannot guarantee any product, stored or set in place in an environment where temperature and humidity are not controlled.

repair charges

A Customer Service authorization must be secured from UCI prior to UCI incurring repair charges.

finish color matching

Different wood species offer unique texture and grain. Minor variations occur in finish color and value due to the natural characteristics of wood.

product warranty

UCI warrants to the original purchaser, that each piece of UCI furniture will be free from defects in workmanship given normal use and care for ten years of single shift service.

Utah Correctional Industries' warranty is only valid if the products are given normal and proper use, and comply with UCI installation and/or maintenance instructions. UCI assumes no responsibility for repairs to products sustaining damages resulting from user modification, attachments to a product, misuse, abuse, alteration or negligent use of our products.

warranty

Our commitment to your satisfaction does not end with your purchase of UCI products. Utah Correctional Industries warrants furniture purchased from UCI to be free from defect in workmanship, when given normal care and use, for **10 years** of single shift use by the original purchaser.

UCI warrants, for the original purchaser, coverings to be free of defects in materials and workmanship for 2 years.

UCI's customer service department will repair or replace, at UCI's option, items covered under this UCI warranty, providing they are within the terms set in this warranty.

This UCI warranty is valid only if products are given normal and proper use, and comply with UCI installation and maintenance instructions. UCI assumes no responsibility for repairs to products sustaining damages resulting from user modification, attachments to a product, misuse, abuse, alteration, or negligent use of the product.

This warranty does not cover the following: damage caused by carrier other than UCI, any material specified by the customer that is not a standard UCI product offering, damage caused by and/or resulting from user modification or negligent use of the UCI product.

There are no other warranties except as expressly set forth herein, either expressed or implied. We exclude and will not pay consequential or incidental damages under this warranty.

UCI guarantees its customers that we will stand behind the workmanship and products produced at UCI, and pledge to do everything reasonably possible to solve problems on a timely basis, within the terms of this warranty.

If you have any questions concerning UCI's warranty policy, or problems with UCI products, please contact UCI at 801.576.7700 and ask for Customer Service.

Non-obsolescence Policy: UCI will provide non-obsolescence protection of out of warranty furniture and seating by repairing or replacing the obsolete item at a price that is satisfactory to the customer.

UCI is your preferred state contract source:
